

14th November 2026

Dear parent/guardian,

Winchelsea Primary is looking forward to another great year of teaching and learning and would like to advise you Winchelsea Primary School has voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support to our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to financially support learning programs and to maintain and our school's buildings and grounds. Without your curriculum and other voluntary contributions, we would not be able to provide the quality learning programs in a safe and stimulating environment that we take pride in

Winchelsea Primary School is a **non-profit organisation**. The difference between funds provided by the Department of Education through the Student Resource Package and those required for this school to operate to the high standard we expect, leaves a shortfall which our School Council attempts to raise through fundraising, grant applications and the voluntary financial contributions which are detailed in the table below.

We will be using an online purchasing system through Winc for our Book Packs, where you can also pay for any voluntary contributions. Information is attached to this letter showing how to order and we will advise when the Winc portal can be accessed early in Term 4. Book packs will be delivered to school and students will receive their orders on the first day of school in 2026.

Families are requested to label all item, of the book packs and return on the second day of school. These items are then stored at school for students to use as necessary throughout the year. Any items not used will be returned or stored for use the following year.

Voluntary contributions can be paid via the Winc portal until the 31st January or at any time during the year to the school office with cash, EFTPOS or credit card.

For further information on the Department's Parent Payment Policy please visit our school's website. We thank you for your financial contribution to the school so we can continue to add value to your child's education.

Extra-Curricular Items and Activities – provided on a user-pays basis

Winchelsea Primary School offers a range of events, excursions and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides in order to deliver the Curriculum. These are provided on a user-pays basis.

After reviewing this arrangement, we will not be adding the extra-curricular events, excursions, uniforms and activities to the WINC booklist, however you will be able to pay them through

Compass on a pay as you go basis. Payments may also be made anytime in advance, and this will sit on your family account and be allocated once the charge is put on.

Families will be able to access any of their remaining School Saving Bonus which was provided by the Government in 2025 to pay for school camps and excursions. Payments for excursions, events and camps in 2026 are not included in the voluntary financial contributions from families or outlined on the online purchasing system through WINC. Costs to families for these events will be outlined on Compass throughout the year in 2026 as the events and excursions arise. Families will be able to use funds from the School Saving Bonus to assist in paying for school events and excursions.

School photos are ordered and paid for directly to the photography company.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payments Policy and Guidance, Financial Help for Families Policy, and any other relevant information
